### REMARKS

#### Claim Status

Claims 1-32 are pending in the present application. No additional claims fee is believed to be due.

The only outstanding requirement is that a Terminal Disclaimer be filed to overcome an obviousness-type double patenting rejection. The required Terminal Disclaimer is attached on a separate sheet.

Thus, all rejections have been overcome, and Applicants respectfully request withdrawal of the rejections.

#### Conclusion

In light of the above remarks, it is requested that the Examiner reconsider and withdraw the obviousness-type double patenting rejection, and allow Claims 1-32 as pending herein. Early and favorable action in the case is respectfully requested.

Respectfully submitted,

THE PROCTER & GAMBLE COMPANY
